Legends

Average Position - The average position all your keywords have been ranking over time.

Tracked Keywords - A snapshot of your tracked keywords by ranking position (1–3, 4–10, 11–100, and Not Ranking) and how each group changed over the last 30 days.

Keyword - Words that people type into Google.

Position - The position this URL is ranked in Google search.

Change - The changes in rankings for each keyword during the time frame you're viewing.

Search Intent - Search intent, or user intent, refers to the purpose behind a user's search query. It reveals what the user hopes to accomplish, such as getting information, locating a service, downloading a resource, or purchasing products.

Volume - The number of searches this particular keyword has during a month.

SEO Difficulty - Estimated competition in organic search, the higher the number the more competitive.

URL - Uniform Resource Locator (URL) ranking for the keyword
